

**American Academy of Periodontology Foundation
Visionary Society Commitment Form**

The American Academy of Periodontology Foundation (AAP Foundation) was established to serve both the needs of periodontists and also to provide for the future funding of research and education. In order to celebrate the significant generosity of those who make planned gifts to the AAP Foundation, a recognition society was created and named the *Visionary Society*.

Membership in the *Visionary Society* is open to donors who provide signed commitment forms indicating their intention to make a gift of \$10,000 or more to the AAP Foundation. To retain membership in the *Society*, the donor must provide documentation of the gift to the Foundation within one year of signing the commitment form.

Thank you for your commitment. Upon completion of your gift, you will have the tremendous satisfaction of knowing you have created a lasting gift to the future of the specialty. The Foundation hopes that others will be inspired by your generous leadership.
